[We have just received a splendid 1793
chain seat from Europe. It has long
been a known treasure of Mr. Brown
of Liverpool, England.]

C. F. Frothingham.

Dear Sir,

We have just received and purchased a Splendid - 1793 Chain Cut from Europe. It has long been a known treasure of Mr Brown of Liverpool England and after repeated exertions on our part has at length been purchased for us by a gentleman lately arrived, who had great difficulty to get Mr Brown to part with it and had to pay him liberally for it.

We send it herewith our approval
viz.

1793 Cut Chain Large type. Extremely fine
with the only the object of being in a fine condition which is very much to be desired when show all the merits of the
Light olive for this type - a strong

impression, ^{an} even impression. Price 40

We place the price low and very reasonable and nearly what it cost us.

To get a Chain cut as fine as this is ~~just~~ a very unusual occurrence
- or

Mr M. E. Mackenzie of N.Y. who
coll of cent was sold by auction
June 28 & 24. 1869 and who spared
neither expense or trouble to
obtain the finest specimens had
not this type of 1793 in ^{exactly} as
fine condition as in

Should you not desire it
may we ask you to please
show it to the Messrs R.A.
& C.V. Britton or any of the other
gentlemen who are collecting.
Did you receive the pkg
of boxes since I sent some
months since.?

Very Resp
D. H. C.
